SOUTH AFRICA CITRUS

*Naturally Superior.
Globally Trusted.*

FROM THE SUNSHINE OF
SOUTH AFRICA TO THE
WORLD.

Fruit Corp is a premium South African fresh produce exporter, proudly rooted in the country's rich agricultural heritage and world-renowned growing regions. We represent the very best of South African fruit production where exceptional climate conditions, fertile soils, and modern farming expertise converge to deliver produce of outstanding quality and consistency.

Our carefully curated portfolio includes a wide range of fresh fruits, harvested at optimal maturity and handled through advanced post-harvest and cold-chain systems designed to preserve peak freshness, natural flavour, texture, and nutritional value.

Every shipment from Fruit Corp is prepared in full compliance with stringent international export standards, ensuring reliability, traceability, and seamless global market access. From farm selection to final delivery, we are committed to excellence at every stage of the supply chain.

Driven by integrity, precision, and long-term partnerships, Fruit Corp connects South African growers to the world delivering produce that consistently meets the expectations of the most demanding international buyers.

To obtain a fast, competitive, and fully tailored quotation, we invite you to complete the Request for Pricing (RFP) form available on our website at www.fruitcorp-export.com. Our team will respond promptly with a structured, market-aligned quotation designed to meet your exact specifications, volumes, and destination requirements.

David Anthony Rencontre.
